Pope's Intention April: For health care workers. We pray for health care workers who serve the sick and the elderly, especially in the poorest countries; may they be adequately supported by governments and local communities.

Pope's Intention May: For faith-filled young people. We pray for all young people, called to live life to the fullest; may they see in Mary's life the way to listen, the depth of discernment, the courage that faith generates, and the dedication to service.

A SPIRITUAL CELEBRATION OF THE FEAST OF SAINT MARK

We have much to be thankful for as a community as we look back at the many blessings we have received since the founding of our parish. We have much to look forward to as we move out of a pandemic and begin again to be a part of a dynamic parish community. As a community, we are being called to celebrate and give spiritual thanks to St. Mark, our patron saint, and to God.

We will have three days of Eucharistic prayer, which will end with a parish Mass on April 25th, the Feast of Saint Mark, at 8 pm. Please set aside some time to give thanks to God between April 23rd and April 25th. Adoration times are Saturday, April 23rd from 5pm-8pm, Sunday, April 24th from 4pm-8pm and Monday, April 25th from 3pm-8pm. You can sign up by going to the following link or call the Parish Office at 216-226-7577

PRINCIPAL NEWS

Just prior to Easter break, we opened our doors to a very special Grandparents' Day (or Special Persons' Day). We split the day up to host our grandparents in two sessions. As each session began, our grandparents were treated to a special presentation created by our WSMS staff about life at St. Mark School and the importance of grandparents. There was such excitement as our children awaited their arrival, yet we were able to remember those who could not be with us in prayer. Grandparents are always with us. As the time went on, every classroom had special activities planned during each of the sessions. To close Grandparents' Day, we were able to pray the Stations of the Cross as a school at our outdoor Stations. Grandparents were able to pray the Stations with their grandchildren. I would have to say that for me, it was one of our more powerful faith experiences this year because we were together as a school united in prayer, and we had the good fortune of having so many of our grandparents present.

This time of year, all of our grade levels have a retreat day planned. Our 7th Grade retreat centered around one particular Bible verse from Galatians 5:13: "You, my brothers and sister, were called to be free. But do not use your freedom to indulge the flesh; rather, serve one another humbly in love." They began their morning with Mass and then walked up to Impett Park to do some community service after discussing the importance of service to others. I reached out to our West Park Kamms Neighborhood Development Corporation and asked them to supply gloves and garbage bags for the cleanup. They did one better by sending Devon Chodzin, Neighborhood Engagement Coordinator, who is responsible for outreach, engagement, and neighborhood programming here in West Park. Devon spoke to the students about his particular role. He explained that in every neighborhood there are organizations like WPKND which assist families in need in a variety of ways. He discussed the important contributions every one of us can make to our West Park community. Sometimes the smallest of opportunities that have the greatest impact. Following his talk, the 7th Grade got to work picking up trash and other debris in the park. Upon their return, the 7th Grade spent some time in prayer and reflected on their relationships with God. They journaled thoughts about what the day meant to them and how the service they did really did not feel like service because it was fun. One of the students wrote in her journal, "This made me feel good inside because I know I was helping other people. I also made beautiful memories with my classmates." Another student reflected, "I know God would be very proud of the work we got done. It made me feel like I just saved a whole city." Another wrote, "I would for sure do this again because I can have a good time with my friends and help the environment at the same time." After viewing a video on empathy, the class closed the retreat off in joyful prayer. It was another beautiful experience in the life of St. Mark School.

Have a blessed week!
Mrs. Cocita
