"Then, taking the five loaves and the two fish and looking up to heaven, he said the blessing, broke the loaves, and gave them to his disciples to set before the people; he also divided the two fish among them all. They all ate and were satisfied."

Mark 6: 41-42

### Mission Statement

St. Mark is a Catholic parish committed to fostering discipleship through the Word of God and the Sacraments. We are dedicated to providing Catholic education to our youth, to bringing a deeper relationship with Christ to our adults, and to supporting those in need through the Spiritual and Corporal Works of Mercy. We encourage all parishioners to participate in the shared responsibility of worship, prayer, study and service.

Then let us  
celebrate  
with a feast,  
because this  
son of mine  
was dead,  
and has come  
to life again,  
he was lost,  
and has  
been found.

Luke 15:23, 24

# Fourth Sunday of Lent

## 2022 Lenten Information

As we journey through Lent waiting for forgiveness, understanding, and love, we must have HOPE for a better today and an even better tomorrow. **Pray for what you need, be who you were meant to be and be still in God's presence.**

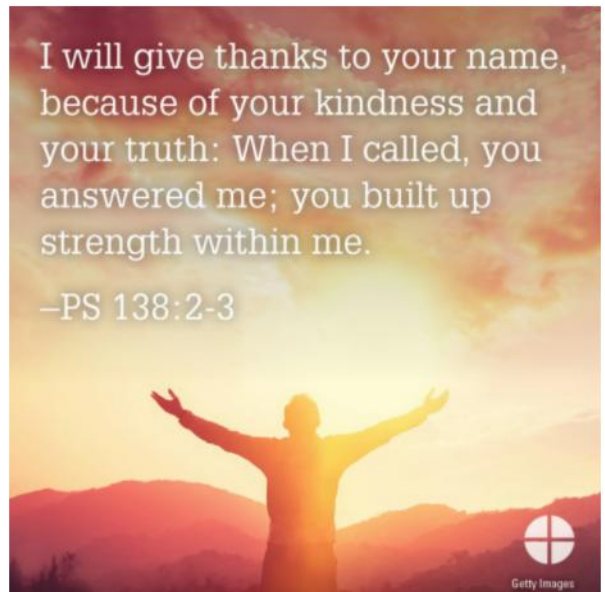

The resurrection at the *end* of Lent is truly the *beginning*. It is the HOPE that all of us long for!

Looking to spend some more time in prayer this Lent? Come and wrap up your day with the Lord! Join us for a time of Eucharistic Adoration and Night Prayer, this Tuesday at 7:30pm in the Church.

I will give thanks to your name, because of your kindness and your truth: When I called, you answered me; you built up strength within me.

—PS 138:2-3

Stations of the Cross followed by Adoration and Benediction every Friday during Lent beginning at 6:30pm

*Our relationship with God has grown and evolved throughout our lives.*

*Have our prayer lives evolved too?*

This Lent please join us to explore ways to deepen our personal communication with God beyond the prayers that we learned as children.

The Catholic faith is rich with a multitude of prayer styles and spiritualities. In these sessions we will learn about and experience a variety of these including Ignatian and Franciscan spiritualities.

Is there a prayer style that you would like to learn more about (Centering Prayer, Visio Divina – praying with art, journaling, praying with nature, walking meditation, etc.)?

If so, please contact Laura Fibbi at [lfibbi@gmail.com](mailto:lfibbi@gmail.com) or 216-534-1281 to offer your idea for topics to discuss.

NOTE: You are probably praying more than you realize.

Let's honor and build on your practices!

We will meet in the church on Thursday evenings 7-8:30pm, March 24, 31 and April 7.

Statistics show that homeownership leads to greater safety and stability in urban communities. Recent headlines suggest that first-time buyers are being priced out of the current market. St. Mark will be partnering once again with Greater Cleveland Habitat for Humanity in the 2022 Faith Build initiative to provide more affordable housing in Cleveland.

Interested in learning more about the Faith Build collaborative? If so, plan to attend the 2022 Faith Build informational meeting on **Wednesday, March 30 at 7:00 pm in the Faculty Room.**

PRINCIPAL NEWS

Two weeks ago, seven of our girls attended the *STEM Goes Red for Girls* with our technology teacher, Mrs. Hanna. This program is in its 5<sup>th</sup> year and is sponsored by the American Heart Association, CVS Health, University Hospitals, Parker, Accenture, Cleveland Cavaliers, Hunter International Recruiting, Hyland, Keybank, Nordson, PwC, Swaglok, and the Sam J. Frankino Foundation. This event brings interesting careers in Science, Technology, Engineering, and Math to life for young women. “By giving students access to leading employers and experts, they have the chance for an insider look at what they do. *STEM Goes Red* attendees gain firsthand experience, connect with inspiring professionals and learn about jobs across STEM fields. Students can walk away feeling like a whole new world of STEM has been revealed — a world in which they can truly love what they do and make a tremendous impact.”

Some of the activities our girls experienced firsthand included:

- STEM competition to build the largest tower that could hold a chandelier(engineering)
- Explanation from a doctor who specializes in heart, lung, and kidney transplants while a pig’s heart (which is closest to a human’s) was dissected and passed around along with the tools used in transplants/ dissections. Our students learned that medicine is currently trying to genetically modify a pig’s heart to resemble a human heart to eventually use it in humans. Currently pigs’ valves are used in human hearts. Each of the girls was able to touch the heart and examine it up close.
- Mentors from leading companies spoke to the girls including Sherwin Williams
- CPR instruction occurred for each attendee
- A Torque challenge demonstrated how strong girls can be
- Tiffany Baker from Ch 19 addressed the students and danced “a train” with them

The girls absolutely loved this experience! Their eyes were opened to many STEM field opportunities available to them as they move on in their education. A special thanks to the *STEM Goes Red for Girls* organizers for providing such an interesting opportunity for our girls.

Last Wednesday, March 16<sup>th</sup>, we celebrated the Feast of St. Joseph since we were not in school on his feast day, March 19<sup>th</sup>. Students were asked to donate canned food for the poor following a beautiful prayer service led by Mr. Garvin where Mrs. McGinty’s 2<sup>nd</sup> Grade spoke about some of the symbols associated with St. Joseph. One of the key symbols is that of fava beans, or “lucky beans.” They are associated with St. Joseph because Sicilians prayed to St. Joseph to sustain them throughout a famine, and fava beans thrived. Each student also placed a special intention in a basket by the St. Joseph altar to be remembered. As a school, we packaged 28 bags filled with food which are being donated to battle hunger. We are a blessed community.

Have a blessed week!  
Mrs. Cocita
